

# NEW FROM BPT:

# Expanded BPT Services for Pilots

In addition to the ever-popular Weekend Clinics, including the industry's **only** Companion Course, BPT now offers myriad expanded services, each one of which is designed to help you "Stay current. Be confident. Fly like a pro."

## Post-Online Training Flight

After you have completed the ABS online course on your own, fly with a BPT instructor to attain the "BPT Completion Certificate" **\$425\***

## Fly with a BPT Instructor

One full day of Bonanza / Baron training, including up to 8 hours of ground school / flight training at your home airport **\$795\***

For each additional day of Bonanza / Baron training, which includes up to 8 hours of ground school / flight training at your home airport, add **\$550\***

## Additional Clinic Instruction

Add one full day of Bonanza / Baron training to the regular BPT Clinic for which you are registered. This additional training includes 8 hours of ground school / flight training at the Clinic airport **\$595\*\*\***

## "Rusty Pilot" Special

If you haven't flown in a while – or if you are new to your aircraft – the special BPT "Rusty Pilots" training is just what you need. Register for the regular BPT Clinic – and instead of flying for just 4 hours, you will fly **two** 3-hour flight segments: one flight on Saturday and one flight on Sunday **\$595\*\*\***

## Duke Ground School

Immerse yourself in 12 hours of intensive ground instruction as part of the comprehensive BPT Duke Flight Training program **\$1,000\***

## Duke Flight Training

One day of Duke Onsite Training of up to 8 hours of ground school / flight training at your home airport **\$1,000\***

For each additional day of Duke Onsite Training of up to 8 hours of ground school / flight training at your home airport, add **\$700\***

## Additional Duke Clinic Instruction

Add one full day of Duke Training to the regular BPT Clinic for which you are registered. This up to 8 hours of ground school / flight training at the Clinic airport **\$700\*\***

## Local Ground Clinic at Your Home Airport

Two BPT instructors will travel to your home airport to conduct a BPT Onsite Ground School Clinic, consisting of 16 hours ground instruction at the facility you provide **\$2,000\***
